Attention: Eaton's Carter® Brand Ground Fueling Equipment Users

Subject: Eaton Carter® Brand Replacement Spare Parts

It has come to our attention that 3<sup>rd</sup> party and counterfeit parts have been offered in the marketplace as replacement parts for Eaton Carter® Ground Fueling equipment. This communication is to inform operators that only parts and components manufactured by Eaton Carter® and sold by Eaton or one of our authorized distributors can be verified as compliant to Eaton drawings and specifications. Alternative parts not manufactured by Eaton will void any warranties of Eaton Carter® products and could result in potentially dangerous failures of your equipment. In order to maintain integrity of your equipment please ensure all replacement components are procured through Eaton or one of our Authorized distribution partners for Carter® brand products. All Eaton Carter® parts are manufactured and assembled in the USA.

Respectfully,

Andrew Strychaz  
Product Line Manager  
Eaton Carter® Ground Fueling

Carter® is a registered trademark and brand of the Eaton Corporation.
